We're in the people business...

Our Philosophy

The Charlottesville Business Exchange (CBE) believes in the good of its members to uphold the highest professional and personal ethics. We are driven by the ideals of honesty, integrity, sincerity, and respect for each other and for those with whom we come in contact daily.

We strive to provide trusted referrals to trusted business partners. We believe that through a commitment to the organization, we enhance and nurture a culture to grow each other's businesses through "word of mouth" referrals. We do so in an exclusive environment, such that only one member per profession shall be permitted in the organization at any time.

Consider Becoming a Member if you...

- are committed to acting with honesty and integrity
- wish to grow your business
- want to help others grow their businesses
- are available and willing to commit to attending weekly CBE meetings
- do NOT offer a product or service provided by an existing CBE member

If you meet the above criteria, we invite you to submit a Membership Application.
